

WTR Candle Lighting Ceremony Sponsorship Form

The *Walk to Remember* is a national event dedicated to babies who die each year through miscarriage, stillbirth, birth defects, SIDS or other causes. This year we are hosting a candle lighting ceremony to be held Friday, October 15th, at 6:15PM CST, at the Children's Memorial Garden in Lynn Haven.

The last thing an expectant family is prepared for is to leave the hospital without their baby. Parents grieving for a pregnancy or infant loss sometimes have to make final decisions through a haze of grief and unforeseen financial circumstances. Sponsorships are available and funds raised will go toward the annual event, Healthy Start's 'Last Rites for Little Ones' program and other bereavement activities and services provided to families in need.

'Last Rites for Little Ones' (LRLO) assist families financially in our area that have suffered the tragedy of losing a child. Through the LRLO program, financial assistance towards gravesites, grave markers, or cremation and urn is provided to families in need. Healthy Start's bereavement trained care coordinators and staff provide families with emotional support and education.
